

## **PRESS RELEASE**

### **ELPEN provides continuous support for the Greek pharmacist - Sponsor at the 15<sup>th</sup> PHARMApoint, in Thessaloniki**

*More than 3,200 pharmacists visited the Conference*

Monday, October 26<sup>th</sup>, 2015. **ELPEN** and the **Consumer Health Care Department** sponsored the **15<sup>th</sup> PHARMApoint** conference, whose subject was **“Pharmacy: Scientific advise & entrepreneurship”**. The Conference emphasized on the pharmacist’s dual role, as both a health scientific advisor and an entrepreneur. **Supporting the scientific standing** of pharmacists, as well as the **sustainability** of Greek **pharmacies over the years**, **ELPEN**, the pioneer Greek Pharmaceutical Industry, welcomed visitors at its stand and informed them about the products and activities of the Consumer Health Care department.

The 15<sup>th</sup> PHARMApoint was organized by the Pharmaceutical Association of Thessaloniki, under the auspices of the Panhellenic Pharmaceutical Association, and took place in Thessaloniki, on the 17<sup>th</sup> and 18<sup>th</sup> of October. The event **attracted more than 3,200 pharmacists** and their associates, as well as **representatives of the pharmaceutical industry**.
