

## PRESS RELEASE

### **Agreement between Rontis and ELPEN for the exclusive promotion and distribution of Rontamil Infant Nutrition products in Greece**

*Monday, November 2<sup>nd</sup>, 2015.* **Rontis Corporation S.A.** announces its collaboration with **ELPEN AE** pharmaceutical company, for the **exclusive promotion and distribution of Rontamil Infant Nutrition products** within **Greece**, beginning **December 1<sup>st</sup>, 2015**.

Rontis developed and produces the **Rontamil** infant nutrition product family, which, up until today, was promoted and distributed in the Greek market through its affiliate, Rontis Hellas AEBE. Owing to its advanced formulation, the **Rontamil** line is the top modern choice for infant nutrition.

By making available the complete **Rontamil** infant nutrition product range, and in combination with the other pediatric products that our company already markets, ELPEN, the leading, purely Greek, pharmaceutical industry significantly enhances its presence for the Pediatrician, with a full product portfolio.
