

PRESS RELEASE

ELPEN is a sponsor at the 7th “Pharmacy & Medical Management & Communication” Conference + Expo

The largest Scientific/Educational event with 68 speakers, 27 speeches, 9 Round Tables and 4 Labs

Participating in activities that promote continuous education and professional development, ELPEN supports Greek pharmacists and physicians

Wednesday, March 2nd, 2016. Within the context of providing continuous **support** for **Greek pharmacists**, and ensuring the **Greek pharmacies’ sustainability**, as well as their **scientific repute** through continuous **scientific education**, ELPEN, the pioneer Greek Pharmaceutical Industry, together with the **Consumer Health Care** department, supports, once again, the **7th “Pharmacy & Medical Management & Communication” Conference + Expo** with a sponsorship.

The Conference will be held on **Saturday the 5th and Sunday the 6th of March, 2016**, at the **“Metropolitan Expo” Exhibition Center** (Athens International Airport “Eleftherios Venizelos”). Entrance is free for pharmacists and physicians.

The Conference aims at **enriching the knowledge of pharmacists, physicians**, helps and their partners, on matters of Pharmacy & Medical Management & Communication, as well as at offering professional **development**. During the event, there will time for **direct conversations and exchange of views**. In parallel, representatives from the Industry, Commerce, Distribution Channels and Service Providers will have the opportunity to inform pharmacists and physicians about their products and services.
